Growth Group Questions
For the week of January 5, 2014
It is time to live in the Spirit—off to a good start.

Icebreaker: tell something about your experiences in the ice storm we just had.

READ TEXT: Genesis 1:1-2

1. Read the text again, this time looking to see how the Holy Spirit's working in creation is like his work in others and in your life. In what ways is it the same?

2. Let us welcome honesty on this question: When you think of the working of the Holy Spirit, what is your perspective? (wonderful, scary, sweet, bizarre, spooky, boring, exciting, liberating, helpful, oppressive, confusing, distant, near, ethereal, real, tiring, energizing, for others only, off limits, for everyone, for kooks only, too hot to handle, best kept under wraps, etc.?)

3. When do you most sense the presence of God's Holy Spirit? Are you able to enter into this alone? Why or why not? Is your prayer time boring or a participation with the Holy Spirit?

4. Tell about a particularly memorable working of the Holy Spirit in your life.
