For the week of May 19, 2012  
*Pentecost Sunday Scriptures with S.O.A.P.*

1. S--SCRIPTURE: Read Acts, chapters 1 and 2. And watch for the Natural Church Development elements in these scriptures. (They are in the entire book of Acts, too!)

2. O--OBSERVATION: what do you observe in these scriptures?

3. A--APPLICATION: (Acts is best called "The Acts of the Holy Spirit", not "...of the Apostles" as some think. Acts is full of The Holy Spirit's "acts". It has no ending, for the "acts" of the Holy Spirit are to go on until Jesus returns (2:39, etc.). What genuine "acts" of the Holy Spirit have you seen? What are God's "Acts of the Holy Spirit" in your life today? From Acts 1, 2, how can we have a greater working of the Holy Spirit in our church?

4. P--PRAYER: prayer for renewal.
